

# VENU 8a Super-compact. Super-versatile

The 2-way self-powered VENU 8a speaker delivers our signature audio quality in a discreet, compact, lightweight format, making it the go-to solution for any short throw sound reinforcement or live monitoring applications. Combined with an AUDIOFOCUS S-series sub the VENU 8a can be used as a small PA system. Rental companies and venues will love VENU 8a's flexibility and portability.

An advanced AUDIOFOCUS Class D amplifier module with integral DSP and 4 versatile presets allows VENU 8a to be quickly deployed in any configuration.

VENU 8a is built in Belgium to the same exacting standards as our pro touring ranges and coated in tough, weather-resistant polyurea to protect your investment.

Up to 500
